

ATTENTION DOWNWINDERS!!

Did you know the RECA Law was reinstated July 4th, 2025??

Detonation of Fizeau on September 14, 1957 at the Nevada Test Site

PUBLIC MEETINGS!

Radiation Exposure Compensation Act (RECA)

- Come see if you qualify for the RECA compensation (**\$100,000** for qualifying downwinders)
- Receive information & have questions answered about the program's expansion & who now qualifies
- We will have **applications & information** available to get anyone who qualifies started on the compensation process. The online portal will also be discussed.
- If you are ready to mail in your application & would like it checked, **Application Reviews** will be available by **appointment only** at times below only. Please call **435-251-4760** to get an appointment.
- **Unfortunately**, if you have already received the RECA compensation, the law does not permit you to apply for any additional money.
